Email 1 — Write an email from a student to their professor requesting an extension on an assignment submission deadline. The email must follow all professional email rules.

Dear Professor,

I hope you are doing well. I am writing to respectfully request a short extension for the submission of the Digital Literacy originally due on 31st March,2026.

Over the past few days, I have been dealing with severe headache and weakness due to excess heat, which has affected my ability to complete the assignment to the best of my ability within the given deadline. I sincerely apologize for any inconvenience this may cause.

I am committed to submitting quality work and would greatly appreciate it if you could grant me an extension until 5th April,2026. I assure you that I will use this additional time productively to complete the assignment properly.

Thank you for your understanding and consideration. Please let me know if any further information is required.

Yours sincerely,
Aayushi Sharma
