Email 2 — Write an email from a student to an internship coordinator at a company, expressing interest in a summer internship opportunity.

Dear Hiring Manager,

I hope this message finds you well. I am writing to express my interest in a summer internship opportunity at your organization. I am currently a first-year B.Tech Computer Science student specialising in Cloud Computing & Automation at VIT Bhopal and I am keen to gain practical exposure and develop my skills in a professional environment.

I am particularly interested in your company because of its work cloud designing services. I have been building my foundational knowledge through coursework and self-learning, and I am eager to apply these skills while also learning from experienced professionals.

I would be grateful for the opportunity to contribute to your team and gain hands-on experience during the upcoming summer. I have attached my resume for your consideration and would welcome the chance to discuss my application further.

Thank you for your time and consideration. I look forward to your response.

Yours sincerely,
Aayushi Sharma
